# WELDING

## Filler Metal and Equipment

It is important to us that our customers are able to select the right filler metal for their shielding, so you can count on our application expertise to get the best results for your fabrications or repairs. Various coating types are available for a wide range of applications.

### Filler Metal

- Stick Electrode
- MIG Wires and TIG Wire
- Gas-Shielded Flux-Cored
- Self Shielded Flux Cored:
- Aluminum MIG and TIG:
- Hardfacing
- Nickel Alloys
- Stainless Alloys
- Submerged Arc
- Metal Cored Wires
- Chrome-Moly Alloys

### Equipment:

- Welding Equipment:
- Stick Welder:
- Mig Welder:
- Tig Welder:
- Multi-Process Welder.
- Multi Operator Welder.
- Submerged Arc Equipment.
- Cutting Equipment:
- Handheld Air Plasma Cutters.
- Mechanized Air Plasma Cutter.
- Robotics

# Abrasives

## Abrasives Line:

As your trusted supplier we know how important selecting the right abrasive for your fabrication or repair projects is to save time, money and frustration. Our team of professionals will guide you through the selection process to find the best product for your needs.

- Coated Abrasives
- Flap Discs.
- Semi-Flex Discs.
- Resin Fiber Discs.
- Sanding Discs.
- Metallurgical Discs & Belts.
- Backup Pads.
- Quick Change Laminated Discs.
- Flap Wheels.
- Specialty Abrasives.
- Shop Rolls.
- Surface Conditioning Abrasives
- Buffing Pads
- Convolute Wheels
- Unitized Wheels
- Strip Wheels
- Surface Conditioning Discs
- Hand Pads
- Flap Wheels
- Quick Change Discs
- Preparation Flap Discs
- Belts
- Cotton Fiber
- Bonded Abrasives
- Grinding Wheels
- Cut Off Wheels
- Resin Cones & Plugs
- Resin Cup Wheels
- Miscellaneous Abrasives
- Diamond Wheels.
- Vitrified Grinding Wheels
- Carbide Burs
- Wire Brushes

# Industrial Safety Implements

Our years of experience have shown us that the most important aspect of any welding, machining, on and off-site operation is Personal Protection. That's why American Welding & Gas, Inc. partners with only the best manufacturers of personal protective equipment. Your safety is our primary concern and we have you covered from head to toe.

- Welding Helmets
- Safety Glasses
- Welding Jackets
- Welding Gloves
- Bibs and Aprons
- Gaiters
- Flame Retardant Clothing
- Hearing Protection
- Respiratory Protection
- Helmets
- High visibility clothing

# Alliance with Opus Ingenieros.

**"COMING TOGETHER IS THE BEGINNING.  
KEEPING TOGETHER IS PROGRESS.  
WORKING TOGETHER IS SUCCESS" ....  
HENRY FORD**

One of our strengths is the commercial alliance between Indutech Group and Opus Ingenieros, both join forces to offer multidisciplinary engineering services and marketing of industrial consumables, it is a strategic partnership that benefits and provides comprehensive and high quality solutions to customers in their projects.

Our experience as engineers is key to identify the best product options and guarantee the success of engineering projects.

## With our alliance you get:

- Acceso a productos especializados
- Asesoramiento técnico
- Desarrollo de proyectos de vanguardia
- Expansión del mercado

# Engineering

The types of services you can contract with us are:

## Project Management, Miscellaneous Services

- Project management, control and planning.
- Facilities Survey (CAD -Revit).
- Inspection of works, equipment, systems.
- BIM management
- Geodesy topography / photogrammetry.

## Multidisciplinary Engineering

- Mechanical engineering.
- Hydraulic and hydrosanitary engineering.
- Architecture and urban planning.
- Electrical engineering.
- Agro-industrial plants.
- Robotics, mechatronics and process automation.
- Structural engineering
- Viability and earth movement
- Food science engineering

## Specialized Studies

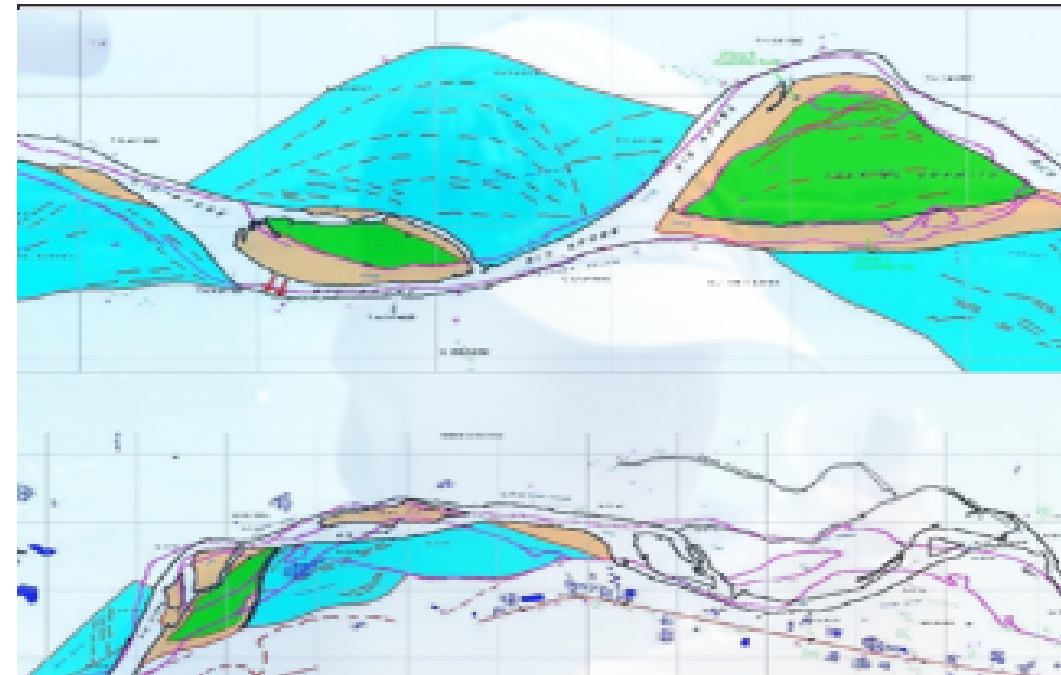

- Electrical Area.
- Hydraulic Area.
- Food Science Engineering
- Destructive and Non Destructive Testing.

# Experiencias de Éxito

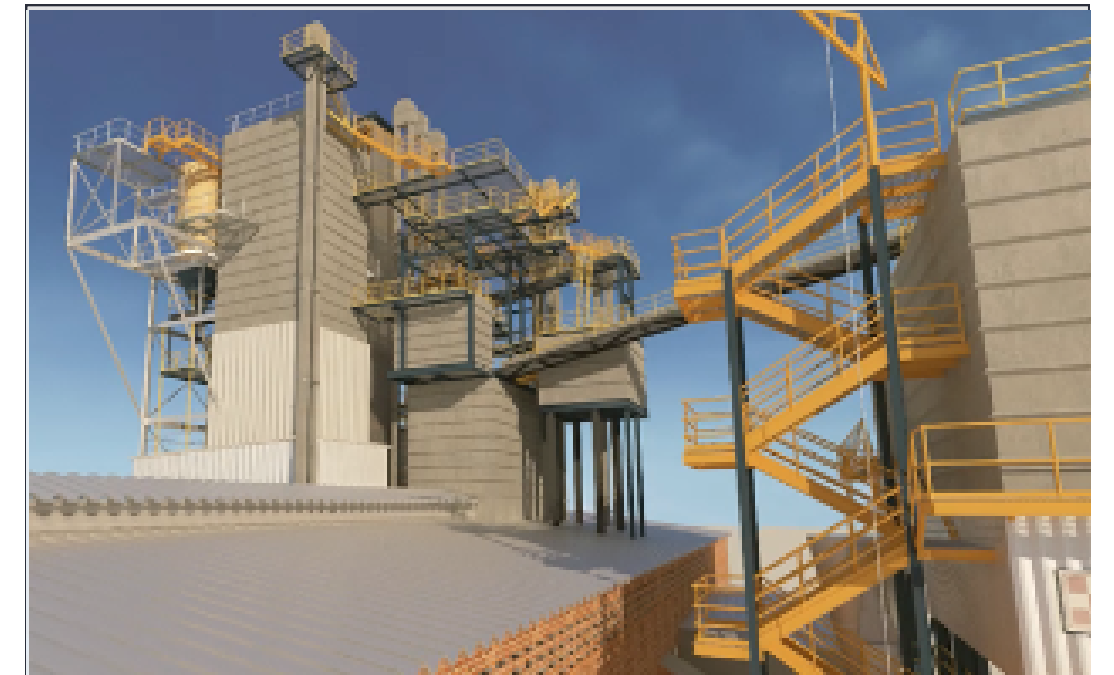

Indutech Group cuenta con un equipo de profesionales con importante y relevante experiencia en el desarrollo de proyectos de Arquitectura e Ingeniería Multidisciplinares, Gerencias de Inspección, Dirección de Obra y estudios técnicos especiales.

**Sports Facilities**

**Hydraulic works, fluvial, maritime and port engineering.**

**Agri-Food Sector**
